fiverr.com/alirazahassan1 · Level 2

SUMMARY

WordPress, Shopify, and web developer building and handling ecommerce stores, multi-vendor marketplaces, and business sites. Agency delivery under WebPixtel. Hands-on with themes, WooCommerce, Liquid, checkout, vendors, CMS, SEO, speed, and store ops. English and Urdu. Remote from Lahore (PKT).

SELECTED WEB WORK

Butterfly Dash — food & events marketplace

Live

WordPress / WooCommerce multi-vendor marketplace: vendor discovery, product browsing, local curated shopping. butterflydash.com

Fiore Dash — flowers & events marketplace

Live

Shopify + WordPress storefront for flowers, catering, cakes, gifts, venues. Search, vendors, products, checkout-ready. fioredash.onrender.com

AllAround — rent, sell & auction

Live

DFW marketplace for garage equipment. Trust features: ID verify, deposit holds, before/after photos, owner payout. allaround-marketplace.onrender.com

EXPERIENCE

Founder / Web lead · WebPixtel

2021 – Present

- Lead WordPress, Shopify, and web builds for clients via Fiverr Level 2 and Upwork (marketplaces, store setup, themes, handling).
- Ecommerce and multi-vendor sites: WooCommerce, Liquid themes, apps, payments, shipping, CMS, SEO, page speed.
- Also deliver Google Ads and AI automation work under the same studio.

Web / WordPress Developer · OploxTech · Tronsit Solutions

Mar 2020 – Dec 2021

- Ecommerce, business, and portfolio sites on PHP / Laravel, WordPress, Shopify, and Wix.
- Custom themes, CMS, SEO, and performance.

Senior Software Engineer · Game District

2024 – Present

Live production engineering on published mobile titles (timeline completeness). Same production habit: ship, debug, keep live products up.

Game Developer · GeniTeam

Dec 2021 – 2024

Live mobile/PC games. Listed for full employment timeline only — not the lead for web applications.

SKILLS

WordPress: themes, WooCommerce, multi-vendor, plugins, CMS, SEO · **Shopify:** store setup, Liquid, Online Store 2.0, apps, checkout, handling · **Web:** HTML / CSS / JavaScript, PHP / Laravel, MySQL, Git, speed / Core Web Vitals · Store ops: products, payments, shipping

EDUCATION

BS Computer Science · COMSATS · 2016 – 2020 · CGPA 3.28 / 4.00
